

S.W.A.N. NEWSLETTER

a digital Solid Waste reuse plAtform for BalkaN

5 April 2018

2nd Annual meeting

On 13-14 December 2018, the SWAN Project Partner- Bulgarian Industrial Association (BIA), organized and hosted the 2nd annual meeting, in Sofia, Bulgaria. Project partners attended the meeting, put on the agenda and had the opportunity to discuss issues concerning their progress, the first results of the project, and planned out the next steps. In addition, they analyzed the implementation of SWAN digital platform in each participating country (Albania, Bulgaria, Cyprus and Greece) according to each partners' specific features.

Pending Actions

The progress and the achievements of SWAN project will be presented at two international conferences and a European Forum within the following months.

The first one concerns the 7th International Conference on Sustainable Solid Waste Management which will take place in Heraklion - Crete Island, Greece, on 26-29 June 2019.

The second one will occur in Rhodes Island during 4-7 September 2019, at the 16th International Conference on Environmental Science and Technology.

Furthermore, the Lead Partner is going to present the project at the 1st Forum for Circular Economy, which is coorganized by the Greek Government, the European Commission, the Commission's Directorate-General for the Environment and the Economic and Social Council of Greece, which will be held in Athens on 8-9 April 2019.
